Randee Pri-Tal has been named executive director of the Jewish Genetic Diseases Center of Greater Phoenix. Pri-Tal has held a number of positions in nonprofit agencies, including Children's Action Alliance, Crisis Nursery, Florence Crittenton and UMOm New Day Centers, where she was responsible for fundraising and event planning as well as outreach and communication with donors and supporters. She has been a member of the local Jewish National Fund board of directors and served as co-chair of the most recent JNF Tu b'Shevat Festival. Pri-Tal will start her new position on May 17.

Stanley Hammerman and **Jon Hultgren** of Hammerman & Hultgren P.C. were recently selected for inclusion in the 2013 Southwest Super Lawyers publication. Super Lawyers is a rating service of lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement.

Robert M. Kort has joined Brownstein Hyatt Farber Schreck's litigation team as a shareholder. His practice will focus on handling litigation matters for the firm's Commercial Litigation and Health Care Law Groups. For close to two decades, Kort has litigated numerous complex cases for plaintiffs and defendants in state and federal courts, administrative proceedings and alternative dispute resolution forums. He has been recognized in Southwest Super Lawyers (2011-2013) and Arizona's Finest Lawyers. He also serves on the board of directors for the Arizona Humane Society and was board chair in 2011.

Harriet Bernick, a former federal prosecutor, has been named CEO of Billmore Loan. Before joining Billmore Loan, Bernick worked in the lawyer regulation division at the State Bar of Arizona resolving ethics complaints filed by consumers or third parties. She has been a member of the Valley of the Sun Jewish Community Center board, spent two years working with the federation's (now the Jewish Community Association) Women's Philanthropy and has been a member of the Jewish Community Foundation Education Council.
